ARP shall continue to provide an educational program for the Individual Employers for their Employees and shall, to the maximum extent possible, train all Employees of all Individual Employers who implement this Policy.**

3. **Exhibit A, Substance Abuse, Section VII, Type of Permissive Testing:**

Add a new subsection E which reads: **An Individual Employer may initiate unannounced random testing, a selection process where affected Employees are selected for testing and each Employee has an equal chance of being selected for testing.
